PROFILE SUMMARY

Frontend-focused Full-Stack Developer with expertise in React, Tailwind CSS, and Bootstrap, dedicated to building intuitive, responsive, and high-performance web applications. Skilled in backend technologies like Node.js and Django, ensuring efficient API integration and robust server-side logic. Passionate about writing clean, scalable code, optimizing user experiences, and continuously exploring the latest advancements in web development. Strong problem-solving mindset with a keen eye for detail, committed to delivering modern, scalable, and maintainable software solutions.
